

HOW BUSY IS MY BUS?

Use our handy website tool to find out how busy your bus is.

It will also tell you if your bus is a single or double decker and if there's WiFi and USB charging on-board.

1

visit
unilinkbus.co.uk

2

tap **find your stop** on the map

3

tap the **stop you're waiting at**

4

tap **Track buses**

5

tap your **moving bus**

6

you can see **how busy your bus is**

quiet

the bus is almost empty

moderate

passengers are well spaced,
with plenty of room for more

busy

the bus is full or near
capacity

7

if your bus is
busy, **check the bus**
behind it
which may
have more
room

8

you can take part too,
just click on the
interactive markers
